COMING SOON! We will be adding native plant collections and native trees/shrubs to the online sale in the coming weeks.

IMPORTANT INFORMATION

Plant Availability: This list is what we expect to have available for online ordering as of 2/2/2024. Our growers work hard to ensure that everything we've ordered is grown successfully, but nature is unpredictable. This list is subject to change due to potential germination issues and variable spring growing conditions. This list will be updated when we have any changes.

Plug Packs and Pricing: For online ordering, plugs are available in 3-packs only. Individual plugs are not available in the online store but will be available at the pop-up sale on May 18 and 19 along with an expanded selection of native plants. Plug packs are \$9 each, plus tax. This breaks down to \$3/plug.

Key to Life Cycle: P = Perennial PE = Ephemeral Perennial A = Annual

Key to Habitat: WO = Woodland, FL = Woodland Floodplain, S = Savanna, P = Prairie, WE = Wetland, WEO = Open Wetland Habitat, WEF = Forested Wetland Habitat

Key to Soil Moisture: D = Dry, DM = Dry Mesic/Well drained, M = Mesic/Medium moist, WM = Wet Mesic/Medium moist to soggy, W = Wet/Soggy or marshy

Key to Light Levels: FSU = Full Sun, PSU = Part Sun, PSU = Part Shade, LSU = Light Shade, SH = Shade, WSH = Woodland Shade

[Questions? Email us at willcountynature@fpdwc.org.](mailto:willcountynature@fpdwc.org)

Plants for sale online come in plugs like the one pictured to the right. Plugs require less digging and they establish quickly once planted. Many gardeners find it convenient to use a drill and auger to plant their plugs. Each plug contained in the 3-packs and collections is 5" deep and approximately 2.5" wide at the top.
