

Bringing Nature Home Native Plant Sale & Friday Night Pre-Sale Reception

Friday, May 15, 4-8pm & Saturday, May 16, 9a-2p

Sugar Creek Administration Center, Joliet

The Bringing Nature Home Native Plant Sale, now in its eighth year, funds a variety of conservation, nature education and recreation projects in Will County forest preserves.

This 2-day event kicks off on Friday night with a ticketed reception for 200 guests complete with music, artisan cheeses & sausages, wine, craft beer, gourmet desserts, raffles, a silent auction, and exclusive access to the native plant sale. On Saturday, the event is open to the general public. Over 1,000 people come to purchase native plants, visit with exhibitors, and learn about the benefits of using native trees, shrubs and perennials. The Nature Foundation of Will County depends on the generosity of local businesses and organizations for the wide variety of items (*gift baskets, complementary services, gift cards, artwork, complementary tickets, vacation rentals, etc.*) offered at the Friday Night Pre-Sale Event's Raffle and Silent Auction. The Nature Foundation also runs a Saturday Raffle for a gift basket full of gardening-themed items. All donors will have their names displayed on the donated item(s) and on event day "Thank You" signs. Your contribution is tax-deductible to the extent allowable by law; 27-3123713. W-9 provided upon request.

Please consider donating an item or service today!
